Secure school access

Assignments & results

Practical skills

One learning menu

One connected learning workspace

Learners sign in with their school code, admission number and PIN, complete work online, receive released scores and feedback, revise with learning resources, and build future-ready skills.

Learning continuity

Schoolwork stays available on any device.

Useful feedback

Scores and corrections guide focused revision.

Beyond the classroom

STEM, robotics, first aid and digital skills.

A clearer pathway

Assignments, revision and skills in one place.
